(c) register through the dedicated VWF referral link or QR code during the Promotion Period; and

(d) complete all identity verification requirements during the Promotion Period.

1.2 Swyftx may reasonably verify eligibility before providing any benefit.

1.3 The Promotion is limited to one set of promotional benefits per person and per account. It cannot be combined with another Swyftx sign-up or referral promotion unless Swyftx expressly agrees otherwise.

2 $30 BTC benefit

2.1 Each eligible customer will receive $30 AUD worth of BTC credited to their Swyftx account after Swyftx confirms eligibility. The quantity of BTC is determined by reference to the AUD value of BTC at the time the credit is processed. The value of BTC may increase or decrease after it is credited.

3 Education, security and platform support

3.1 Eligible customers will also receive access to:

(a) crypto scam awareness education;

(b) assistance with account security setup; and

(c) a platform walkthrough with a Swyftx account manager.

3.2 Swyftx may deliver or schedule these benefits separately by telephone, email or another reasonable channel.

3.3 By participating, the customer requests and consents to Swyftx contacting them using the details associated with their account for the limited purpose of arranging and delivering these benefits. This does not, by itself, opt the customer into unrelated direct marketing.

4 VWF affiliate relationship

4.1 VWF participates in Swyftx's standard Affiliate Program. For qualifying customers attributed to VWF, Swyftx will pay VWF a commission equal to 30% of Trading Revenue in accordance with the Swyftx Affiliate Program Terms. VWF is only entitled to commission while it remains eligible under those terms.

4.2 For this purpose, Trading Revenue means the net spot market trading fees actually received by Swyftx from qualifying spot trades. It excludes fees from Swyftx Leverage, derivatives and any other product, service, activity or transaction excluded under the Affiliate Program Terms.

4.3 The commission is paid by Swyftx to VWF under the Affiliate Program. It is not paid by, on behalf of or at the direction of a customer. Participating in the Promotion or paying trading fees does not mean the customer is making a donation or gift to VWF.

4.4 Any statement that 30% of eligible trading fees will be 'donated', 'given' or 'contributed' to VWF describes the affiliate commission above. It does not mean Swyftx is making a donation on the customer's behalf or that any trading fee is itself a charitable donation.

4.5 Swyftx does not provide tax advice and makes no representation about the tax treatment of the Promotion, the commission or any amount paid to VWF, including whether any amount is a tax-deductible gift or gives a customer any tax benefit. Customers should obtain independent tax advice if required.

5 Promotion integrity

5.1 Swyftx may refuse, withhold or recover a promotional benefit where it reasonably determines that a customer is ineligible, has created or used duplicate or fraudulent accounts, has manipulated the referral process, or has otherwise breached these terms or the Swyftx Terms of Use. Swyftx's records will be used to determine referral attribution, subject to correction of any clear error.

6 Changes or withdrawal

6.1 Swyftx may amend, suspend or withdraw the Promotion where reasonably necessary for legal, regulatory, fraud-prevention, technical or operational reasons. Where practicable, Swyftx will give notice through the same channel used to promote the Promotion. Any change will not affect a promotional benefit already confirmed for an eligible customer, except where required by law or where fraud or ineligibility is later identified.

7 Information and privacy

7.1 Customers must provide true and complete information and comply with any reasonable verification request. Personal information will be handled in accordance with the Swyftx Privacy Policy. Swyftx may use account and referral information as reasonably necessary to administer the Promotion, confirm eligibility and provide the promotional benefits.

7.2 The Swyftx Terms of Use are available at swyftx.com/terms-of-use/ and the Privacy Policy is available at swyftx.com/privacy-policy/.

8 General information and risk

8.1 The Promotion, any platform walkthrough and any scam awareness or security education are general information only. They do not take account of a customer's objectives, financial situation or needs and are not financial, legal or tax advice. Nothing in the Promotion is a recommendation to buy, sell or hold any crypto asset.

Crypto assets are volatile and high risk. You may lose some or all of your investment. The Promotion excludes Swyftx Leverage and other derivative products.

9 Consumer rights and governing law

9.1 Nothing in these terms excludes or limits any right or remedy that cannot lawfully be excluded, including rights under the Australian Consumer Law. These terms are governed by the laws of Queensland, Australia.

9.2 Questions about this Promotion can be directed to Swyftx through its usual customer support channels.
